

GOPHER SIGN COMPANY

SINCE 1922

GF-201/ 202 BRACKETS

- Economical and durable bracket designed for mounting signs to 2³/₈" O.D. pipe or tube posts
- Available for single sign (GF-201) or double sign (GF-202) mounting configurations
- Bracket parts blanked and formed from heavy duty 12-gauge steel
- All bracket parts galvanized after blanking and forming for superior corrosion resistance
- Bracket kits include galvanized hardware for sign and bracket mounting
